Purchasing Your Travel Money In Store

These In Store Terms and Conditions relate to our in store ordering facility for foreign currency ("Travel Money")

The In Store Service is only available for the currencies listed from time to time at the relevant Sainsbury's Bank Travel Money Bureau. Orders for Travel Money in store are subject to availability. Currency availability may also be subject to further monetary limits, currency exchange restrictions and to comply with all applicable laws and regulations, including those relating to anti-money laundering regulations.

What can you buy Travel Money for?

You may only order Travel Money for holiday or business travel and not for speculative, investment or any other purposes. Sainsbury's Bank reserves the right to refuse, withdraw or cancel your Travel Money order at any time if we reasonably suspect or know that your Travel Money order has been placed for any purpose other than for holiday or business travel.

Travel Money In Store Rates

Please note that the rates available on our website (www.sainsburysbank.co.uk) are set separately from the rates provided in store at a Sainsbury's Bank Travel Money Bureau and therefore may vary. You will not be able to get our online rates in-store unless you have pre-ordered your currency by going to our website. Exchange rates may vary during the day.

If you order Travel Money for collection at a later date, you will receive the rate that applies at the time of your order (not the rate that applies on the day you collect your Travel Money).

Orders for Collection from a Sainsbury's Bank Travel Money Bureau

You can order your Travel Money at Sainsbury's Bank Travel Money Bureau for same day collection (dependant on currency and stock availability) and up to 14 days in advance of the date you would like to collect the Travel Money.

Orders for currency not in stock may take up to 3 week days to be ready for collection at the relevant Sainsbury's Bank Travel Money Bureau. You will not be required to pay for your Travel Money until you have collected it from the relevant Sainsbury's Bank Travel Money Bureau.

There may be a maximum amount of Travel Money that can be ordered at any one time and we will confirm this to you at the time of ordering or details can be found on our website.

Collection is subject to the opening times of the collection location. Details for the opening times of the collection location will be notified to you at the time when you place an order for collection at a later date. This can also be obtained on the Sainsbury's Bank website (www.sainsburysbank.co.uk). Please remember to allow sufficient time to make your collection before departing on your travels.

We may ask you for information and identification (such as proof of residential address or either a valid passport or UK Photographic Driving Licence) in accordance with our anti-money laundering policies. In order to enable us to comply with our anti-money laundering and other legal obligations and our internal policies, we reserve the right to take a copy of your identification document(s) and the credit or debit card used to make the purchase (if relevant), at the time of purchase of your Travel Money.

Paying for your Travel Money

Travel Money is sold commission free. You can pay for orders by cash or with most major credit or debit cards issued in the United Kingdom registered in your name and with sufficient funds available to cover your order of Travel Money and any applicable fees.
