How to make a claim

Should you wish to make a claim under your insurance, check your travel insurance certificate and schedule to see whether you have the appropriate cover. You may be asked to provide additional information to substantiate your claim. All claims evidence must be supplied at your own expense in its original form. You can find full details of how to claim in your policy documentation.

Cancelling or amending your policy

Please tell us immediately if your policy does not meet your requirements. If you cancel within 14 days of the receipt of your documentation and you have not made a trip or a claim we will give you a full refund. Following this 14 day period, you continue to have the right to cancel your policy at any time by contacting us. If the notice of cancellation is received outside the 14 day cooling-off period no premium will be refunded, however discretion may be exercised in exceptional circumstances such as bereavement or a change to the policy resulting in us declining to cover your medical conditions.

We may cancel your policy by giving you 14 days notice. If this happens, we will refund the premium you have paid for the rest of the insurance period. Note once your policy has been cancelled your cover will end and you will not be able to make a claim.
