If we do not receive this within 21 days from the start date of the policy, we will cancel your policy giving you 7 days notice. We will do this in writing. If we cancel because we did not receive your proof of no claim discount, a cancellation fee will apply. The current fees are shown in Your Agreement with esure Services Limited.

Welcome to Sainsbury's Car Insurance

Thank you for choosing Sainsbury's Car Insurance.

This is your car insurance Policy. It gives you the details of the cover you have bought.

Your Policy consists of:

- this Policy Booklet and any amendments to it we have provided you with.
- your Schedule; and
- your Certificate of Motor Insurance.

Your Schedule gives you the details of the insurance cover you have bought and the information you have provided to us. It is important that you comply with the obligations set out in this Policy Booklet to notify us of any changes to the information in your Schedule that you have provided to us. If you do not, your cover may be invalid and we may reject or refuse a claim or cancel your policy.

Please read the Policy Booklet, your latest Schedule and Certificate of Motor Insurance carefully, to understand the cover you have bought, the conditions of this cover, together with the restrictions and exclusions that may apply. The policy must be read as a whole.

Any leaflets or similar literature you receive about this insurance do not form part of your Policy.

You have the right to cancel your car insurance policy and any Optional Extras you have purchased with it at any time during the term of cover. Please see the relevant sections in this Policy Booklet for further details on how to cancel and the terms that apply.

Please keep your Policy Booklet and any amendments to it that we have provided you with, your latest Schedule and Certificate of Motor Insurance in a safe place as you may need to

refer to them if you want to make a claim or need assistance.

In return for you paying and us receiving and accepting your premium (including Insurance Premium Tax where applicable) we will provide Motor Insurance cover under the terms of your Policy during the period of cover shown in your Schedule.

Information about your contracts

You will enter into two separate contracts when you take out an insurance policy through esure. The first contract is with esure Services Limited for arranging and administering your insurance policy, who shall charge you arrangement and administration fees for providing this service. Further details can be found in Your Agreement with esure Services Limited.

The second contract is with esure Insurance Limited, for providing your insurance who shall charge you a separate premium inclusive of insurance premium tax. Their terms and conditions are set out in this document and your statement of insurance, and schedule. The new business arrangement and administration fees and insurer premium will form the cost of the insurance.

Reporting a claim to us

Please tell us as soon as you become aware of an incident that may be connected to your cover, such as an accident, water damage, theft, theft/loss of keys, or fire regardless of whether the incident may or may not give rise to a claim. You can call our claims team on 0345 608 6038* Monday to Friday 8am - 8pm and Saturday 9am - 5pm.

When you call us we will ask you a series of questions on the phone. These will include questions about the full circumstances of the incident.

Please tell us if any other person admitted blame for the incident.

In normal circumstances, we will be able to take all the details by phone. However, sometimes we will ask you to fill in a claim form.

If you are involved in an accident, we may ask you for a diagram of the accident scene. The diagram should show the position of the vehicles involved both before and after the accident and note the speeds, distances, road layout, road signs and any obstructions to your and other road users' views. Also make a note of where witnesses were standing.

If you do not report an incident to us as soon as you become aware of it and this leads to a claim under your policy, we may incur additional costs and legal fees as a result. We may then seek reimbursement of those additional costs directly from you.

Claims service

The true value of your car insurance lies in the service you receive if you are unfortunate enough to have a claim. At Sainsbury's Car Insurance we believe we can provide you with the very best

service as appropriate to the cover you have chosen.

Excellent service

We aim to register your claim in minutes - simply call our claims number and we'll take all the details there and then, on the phone.

Fast settlement offer - an offer usually within 2 working days of us confirming with you that your car is uneconomical to repair.

Your audio system covered - a replacement audio system usually within 3 days of our supplier contacting you after you report a valid claim.

Legal assistance - immediate assistance with making a claim under your motoring legal protection cover, if purchased.

Our recommended repairer service

The following benefits will be available to you if you use a repairer from our network:

- Repair guarantee* - repair work undertaken by our recommended repairers is guaranteed for 5 years. Please note that this guarantee only covers labour not parts. Parts fitted are subject to the manufacturer's warranty. *Your statutory rights are not affected.
- Courtesy car - we will provide you with a courtesy car while your car is being repaired by our recommended repairers under a valid claim. All you pay for is the fuel. If we then decide that your car is a total loss, the courtesy car has to be returned to us and we'll then settle your claim.

Please note that the recommended repairer network is only available in mainland UK and does not extend to any islands which form part of the UK unless we inform you otherwise.

If the repairs to your car are not completed by one of our recommended repairers, your claim will be subject to an additional £200 excess and all other recommended repairer benefits will not be available.

Our courtesy car service

The service is available if you have comprehensive cover and you use a member of our recommended repairer network for the repair of your car under a valid claim.

If your car is not driveable, we aim to provide a courtesy car within 2 working days following our acceptance of a valid claim.

If your car is driveable, the courtesy car will be provided when your vehicle is being repaired by our recommended repairer.

The courtesy car will be automatically insured by your own policy at no additional cost to you, provided your policy remains in force, however the normal policy terms and conditions apply. For example if you have an accident in the courtesy car, it will be treated as another claim under your policy and you may lose your no claim discount.

This courtesy car will be available for the duration of the repairs, even if the policy is cancelled or lapses during the repair period.

The courtesy car will usually be a Group A car such as a Nissan Micra or Ford Ka.

The service is not available for claims under the windscreen section of the policy.

A courtesy car is not available if your car is stolen or we decide that your car is a total loss. Any courtesy car that you have already been provided with will be withdrawn if after inspection we decide that your car is a total loss.

Please note that if we decide that your car is a total loss, the cover provided under the 'Driving

Other Cars' extension in Section 1b of the policy does not apply. Cover under this extension of the policy will not be reinstated until a replacement car has been updated on the policy.

If you have breakdown assistance cover as part of your policy, this will only apply to the courtesy car if you have bought the 'Any Vehicle' extension to the breakdown assistance cover section.

You will be responsible for any fines for parking and other motoring offences you incur whilst using the courtesy car. You will also be responsible for any congestion charges and tolls whilst using the courtesy car.

What to do if you have an accident

We hope that you will have many years' safe driving, but if you are unfortunate enough to be involved in an accident, please follow these simple guidelines:

- You must stop if any other person or animal has been hurt, or if any other vehicle or property has been damaged. **DO NOT DRIVE AWAY.**
- Make sure you obtain the names, addresses and telephone numbers of any drivers, passengers or pedestrians involved in the accident and any witnesses. You should also ask the drivers of other cars involved for the name of their insurance company and their policy number, if they have it. They are obliged to provide this information under the Road Traffic Act. If possible, please note the registration number(s) of the vehicle(s) involved and if the vehicle is a lorry, please also obtain the cabin number.
- Make a note of how many passengers were in each vehicle involved and whether any of them appeared injured or complained of any injury.
- Call the police if anyone is hurt or if the other

driver leaves without stopping or does not give their details.

- Where possible, and if it is safe to do so, take some photos of the accident scene, the positions of the vehicles and the damage to the vehicles involved.
- You must be prepared to show your Certificate of Motor Insurance to the police or anyone else involved in the accident if anyone was injured or property damaged.
- Never admit blame or liability for an accident or offer to make a payment for any damage caused.
- If you are involved in an accident, you must tell us. This is regardless of whether the accident may or may not give rise to a claim. Simply call our claims team on 0345 608 6038. This enables us to resolve your claim quickly and efficiently, helps us reduce the cost and allows us to protect your, and our, interests.
- If your car is not driveable after the accident, call 0800 519 5195 to arrange recovery of your car.

You can help us to prevent a fraudulent claim being made against you

Criminals stage accidents to try and claim for fraudulent damages or injury. Insurance fraud costs the insurance industry millions each year and these costs are passed on to the innocent motorist in the form of increased premiums.

We appreciate that being involved in any accident is an upsetting experience, but by being aware of these criminal activities and passing on some additional pieces of information to us, you may be able to help prevent a fraudulent claim being made against you.

In addition to the steps advising you what you need to do if you have an accident, take a good look at the other driver and the passengers so that you would be able to describe them, if necessary.

Tell us if there was anything unusual about the accident circumstances, for example:

- was the other vehicle being driven in an erratic fashion.
- did the other vehicle stop sharply and for no apparent reason.
- were the brake lights working.
- did the behaviour of the driver or any of the passengers seem strange or unusual.

Tell us anything else you feel may be relevant.

Windscreen care

Regularly check your windscreen for any signs of damage.

If you find a chip or a crack, call our 24 hours a day, 365 days a year helpline on 0800 587 6803 to arrange the repair or replacement as quickly as possible.

If you have comprehensive cover, call us as soon as you spot a chip before it turns into a crack as we may be able to repair it rather than replace the windscreen. By repairing your windscreen, this means you won't have to pay the windscreen excess shown in your Schedule.

Don't let the criminal win - car crime

Don't make it easy for the criminals

It's in your interest and ours to take some simple precautions.

Most things are common sense

- Never leave your vehicle documents or insurance documents in your car.
- If you have access to a garage, keep your car in it.
- If your car audio, navigation and/or entertainment equipment are removable, remove them from your car or secure them in a locked glove compartment or boot out of sight, when you leave your car.
- Keep car keys secure and out of sight in your home as they can be targeted in burglaries.
- Secure any valuables in your car in a locked glove compartment or in the boot, out of sight.
- Contact your local Autoglass branch for free glass etching, as this is a proven theft deterrent.
- Always, ALWAYS remove the car keys from the ignition if you leave the car, no matter how quickly you intend to return.
- Always, forward your post when moving home so important documents don't go missing.

Is your vehicle at risk of being seized by the police?

Information relating to your insurance Policy will be added to the Motor Insurance Database (MID) managed by the Motor Insurers' Bureau (MIB). The MID and the data stored on it may be used by the police to identify whether a vehicle has valid insurance by checking its registration number against the database.

It is vital that the MID holds your correct registration number. If it is incorrectly shown on

the MID you are at risk of having your vehicle seized by the police. Check your Policy documents carefully to ensure that the registration number is shown correctly.

In 2011, Continuous Insurance Enforcement (CIE) came into effect which means that if there is no record on the Motor Insurers Database (MID) showing your vehicle is insured and you have not declared it as 'off road' by completing a Statutory Off Road Notification (SORN), you will receive a letter from the DVLA warning you that you could face a fine or prosecution and the vehicle could also be clamped, seized and ultimately destroyed.

You can check that your correct registration number details are shown on the MID at

www.askmid.com.

We do not cover loss of, or damage to, any other car you drive.

This extension does not apply if you do not have

We will only arrange such legal services where it is more likely than not that the defence will be successful.

Such cover is limited to instances where it is in our own interest to make payments for the purpose of defending or representing you and any other person covered by this section. As such this cover is ancillary to the main cover provided by this section.

4. Emergency medical treatment

New car cover

If your car is less than one year old and you or your partner have been the first and only owner and registered keeper, we will replace it with a new one of the same make and model if it has suffered damage covered by this section and the cost of repairing it will be more than 60% of the manufacturer's latest United Kingdom list price (including taxes).

We can only do this if a replacement car is available in Great Britain or the Isle of Man and anyone else who has an interest in your car agrees.

If a suitable replacement car is not available, we will pay you the price you paid for your car, its fitted accessories and spare parts or the manufacturer's latest list price (including taxes) whichever is less.

We will decide which of these methods we will use to settle your claim.

Car audio, navigation and entertainment equipment

We will pay up to the policy limit shown in your Schedule for loss of, or damage to, in-car audio, television, DVD, phone, games-console, electronic navigation or radar detection equipment permanently fitted to your car. Conditions which apply to Sections 2, 3 and 4

1. Hire purchase, leasing and other agreements

We will make payment under your policy to the legal owner if we know that your car or any part thereof, is owned by someone other than you. We will only pay you the balance that is left after we have paid the legal owner all that they are entitled to. In the event that we decide that your car is a total loss we may make a claim payment to any party that has a financial interest in your car. We will only pay you the balance that is left after we have paid the interested parties all they are entitled to.

2. Parts

We may use parts which are not made by the manufacturer of your vehicle, but are of equivalent type and quality to the parts we are replacing. This may include recycled parts or parts made from recycled materials.

If any part or accessory is not available for use, the most we will pay you in respect of that part will be the cost shown in a supplier's latest United Kingdom price list. We will also pay reasonable fitting costs.

3. Removal and delivery

If your car has been immobilised as a result of loss or damage covered under your Policy, we will pay reasonable transport costs to take it to the nearest suitable repairer. We will also pay the reasonable cost of returning your car to you at the address shown in your Schedule after it has been repaired. We may put your car in safe storage, which we will arrange and pay for if we think storage is necessary, before it is sold or taken for scrap.

4. Repairs

If damage to your car is covered under your Policy and you choose to use our recommended repairer scheme, you do not need an estimate for the repairs, and work on your car can start as soon as practically possible.

Alternatively, you can arrange for reasonable and necessary repairs at a repairer of your choice but you must send us a detailed repair estimate and full details of the incident as soon as possible.

We will only be liable for the repair costs at a non-recommended repairer once we have agreed that the costs are reasonable and we have issued an authorisation to the repairer. We reserve the right to ask you to obtain alternative estimates.

If you decide not to use our recommended repairer then an additional excess of £200 will be applied. This excess will be in addition to any other excesses shown on your Policy Schedule.

5. Total loss of your car

If we decide that your car is a total loss as a result of an accident, theft, fire, flood or malicious damage, we will reduce the claim payment by taking any part of the full premium you owe us. When we have made the full claim payment on this basis, we will have met all our responsibilities to you under your policy and your car will become our property. Your policy will then be cancelled unless we agree otherwise and we will not refund any of your premium. If you are paying by instalments, your full annual premium remains payable unless we have deducted this from your claim settlement.

Please note that if we decide that your car is a total loss, the Section 1b driving other cars extension to your Section 1 policy cover does not apply and you cannot use this.

If your car has a personalised registration number which you want to retain, we will give you up to six weeks after we have decided and told you that your car is a total loss to transfer that personalised registration number onto a DVLA Retention Certificate in your name, or allow us or our agents to arrange the transfer on your behalf and charge you for the cost of the transfer, or reduce the claim payment by an amount equivalent to this cost. If you tell us that you do not wish to keep the personalised registration number, we will dispose of it with the car.

4. Personal belongings and goods bought from Sainsbury's stores

We will make deductions for wear and tear. We may require proof of purchase or evidence of ownership to support your claim.

We will also pay for any loss of, or damage to, any goods purchased from a Sainsbury's store caused by accident, fire, theft or attempted theft, while they are in or on your car. The most we will pay for any one incident is the policy limit shown in your Schedule.

Territorial limits and use abroad

1. Territorial limits and use abroad

Your vehicle must be registered in the UK or the Isle of Man and not be kept outside these jurisdictions for more than 90 days in your year long cover period.

The cover under Sections 1 - 5 of your policy operates in the UK, the Isle of Man and the Channel Islands and during sea journeys between these constituent parts.

The territorial limits of the cover under Sections 8 – 14 of your policy are different and are set out in the relevant section of the policy.

You also have the minimum cover you need by law to use your car in:

- any country which is a member of the European Union; and
- any country which the Commission of the European Community approves as meeting the requirements of Article 8 of the European Community Directive 2009/103/EC on Insurance of Civil Liabilities arising from the use of motor vehicles.

This includes the following countries: Andorra, Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden and Switzerland.

This may provide less cover than you have in the UK or the Isle of Man and is usually equivalent to the third party only cover available in the UK or the Isle of Man, with no cover for damage to your car.

If you ask us, we will provide you with an international motor insurance certificate (Green

Card). You'll need to call us five days before travelling if you need this to be posted out to you. An administration fee will apply. The current fees are shown in Your Agreement with esure Services Limited.

If you bought breakdown assistance, this only operates in the United Kingdom and the Isle of Man.

2. If you want full Policy cover abroad

In return for any extra premium we may require and any administration fee charged by esure Services Limited, we will extend the level of cover provided by your policy under Sections 1 to 7, to named countries in Europe and give you an international motor insurance certificate (Green Card). You must request this extension to your cover and agree it with us prior to travelling. Your car will also be covered whilst being carried by a recognised carrier between or within those countries during the period shown in the Green Card.

We will allow up to 90 days cover per policy year. This extension does not give you the same cover as you have in the United Kingdom:

- it will not apply to Sections 8 and 9 (Optional Extras). For example, if you have purchased breakdown cover, this can't be used abroad and
- if you have an accident abroad, a courtesy car won't be available, as our recommended repairer network is only available in mainland UK.

3. Customs duty

If you have to pay customs duty on your car in any of the countries shown in your Green Card because of loss or damage covered under your Policy and we decide not to repatriate your car, we will pay these costs for you.

No claim discount

When you buy your policy, if we've been unable to verify your No Claims Discount (NCD) entitlement using the 'NCD database', you'll need to provide us with proof of this in the form of your latest renewal invitation or a letter which confirms the cancellation of your policy and your No Claim Discount entitlement from your previous insurer.

It's important you send this to us within 21 days from the start of your policy otherwise we will cancel your policy. If your policy started or renewed before 23rd October 2016 then details of applicable fees can be found in your Policy Schedule. If your policy started or renewed on or after this date then please refer to Your Agreement with esure Services Limited.

If no claims have been made under your policy during the policy year, at renewal your No Claim Discount years will increase and we'll discount your policy to reflect this.

If a claim is made under your policy which we have paid for on your behalf, known as a non-recoverable claim, your No Claim Discount entitlement will reduce at renewal by the amount shown on your Car Insurance Schedule. To see the full step back scale including the effect of making more than one non-recoverable claim, please refer to the 'Policy Information' section of our website.

If you allow someone to drive your car when they are not insured to do so and they have an incident that results in a non-recoverable claim involving a third party, your No Claim Discount will be reduced.

Our maximum number of years for No Claim Discount entitlement in the first period of insurance is five years. This means that if you've provided evidence of more than five years No Claim Discount at inception, this will count as five years and be stepped back from this amount if a non-recoverable (fault accident) claim is made.

The following claims will not reduce your No Claim

Discount:

- Windscreen damage claims which fall under Section 4 of the policy
- Emergency medical treatment fees paid under Section 1 (4)
- Claims where we have been able to recover all our losses on your behalf
- Claims where the Third Party responsible for the damage has been identified* and they are not insured. *(We will need the driver's details and their car registration number.)
- Vandalism claims if the incident has not been caused by another vehicle, has been reported to the police and a crime reference number can be provided
- Any claims made under the Optional Extras cover, Sections 8 & 9.

No Claim Discount protection for life

If you have four or more years No Claim Discount you may be able to protect it for the life of your policy for an additional premium, providing you're eligible for this Optional Extra. If you do, your No Claim Discount will not be reduced regardless of the number of claims you make. You can only add protected No Claim Discount for life at the start of your policy or at renewal.

If you make changes to your policy during the year which results in you no longer being eligible for this additional cover, we may remove it.

By adding No Claim Discount for life to your policy, your premium may still increase at renewal if you've made a claim, due to other rating factors which may apply. At renewal, depending on the number of claims or incidents recorded on your policy, we may be unable to offer you a renewal quote.

In line with the rest of the market, if you haven't protected it, your No Claim Discount will be reduced by two years for each non-recoverable claim within a policy year.

What happens to your No Claim Discount if you make a claim in the first year of insurance?

If you have five years or less when you buy your policy and you make a claim, your No Claim Discount will be reduced by two years. Please see the table below for further information:

NCD years at the start of the period of insurance	NCD entitlement per non recoverable claim		
	1 claim	2 claims	3 claims
0 to 2	Nil	Nil	Nil
3	1 year	Nil	Nil
4	2 years	Nil	Nil
5	3 years	1 year	Nil
5+ at inception	3 years	1 year	Nil

What happens if you make a claim in subsequent renewal years?

If you have five years or less and you make a claim, your No Claim Discount will be reduced by two years. Once you have six or more years the scale changes and includes your loyalty bonus years, as per the table below:

NCD years at the start of the period of insurance	NCD entitlement per non recoverable claim		
	1 claim	2 claims	3 claims
5 years NCD	3	1	Nil
+1 loyalty year	4	2	Nil
+2 loyalty years	4	3	1
+3 loyalty years	5	3	1
+4 loyalty years	6	4	2
+5 loyalty years	7	4	2

What happens if you don't make a claim?

Your No Claim Discount will increase by one year, every time this policy is renewed. After our maximum of 5 years is reached, we'll give you a loyalty bonus every year after that.

It is a condition of your policy that:

- you observe all the terms and conditions of your policy
- you furnish us with any information, such as copies of driving licences, evidence of a no claim discount, valid MOT and/or a V5c vehicle registration document that we may ask to see.

- declare your Policy null and void.

2. Accidents and losses

As soon as you become aware of any incident, such as an accident, water damage, theft, theft/loss of keys, or fire, which results in death, injury,

damage or loss, you must tell us, even if there is no damage to your car. This is regardless of whether it may lead to a claim under your policy.

If you receive any correspondence or are contacted by a third party in relation to an incident, or receive any notice of prosecution, inquest or fatal accident enquiry or you are sent a summons or Claim Form from a court, solicitor's claim or letter, you must notify us and send any received documentation to us, unanswered, immediately - quoting your policy number.

Failure to comply with the above may result in additional costs being incurred by us, which you may be liable for and we may recover these costs from you.

3. Claims procedure

You must not admit liability for or negotiate to settle any claim without our written permission. We may take over, defend or settle the claim, or take up any claim in your name for our own benefit. You and any other person covered by this Policy must give us all the information, documentation and help we need to do this. We have full discretion in the settlement of your claim or any legal proceedings that arise and we may take over, defend or settle the claim, or take up any claim in your name for our own benefit.

In certain cases involving personal injury, we are obliged to investigate liability and reach a decision either admitting or denying liability within 15 working days. You must give us all the help and information we need to do this. Decisions in relation to liability will be at our absolute discretion based upon the individual circumstances of the case.

As part of our claims validation process, we may require you to provide evidence of the purchase of your vehicle. This may be in the form of a bank statement, credit card statement and/or a garage receipt.

4. Other insurance

If you have other insurance which covers the same loss, damage or liability, we will not pay more than our share of your claim. This does not apply to the personal accident benefit (section 5 (1)), aggravated theft benefit (section 5 (5)) and physical assault benefit (section 5 (6)).

5. Taking care of your car

You must:

- take all reasonable steps to protect and secure your car and its contents from loss and damage and make sure your car is in a roadworthy condition, including having a valid MOT if required, and ensuring that items such as wheels, tyres, bodywork and windows meet the legal requirements; and

If we are made aware that your car is not in a roadworthy condition, we may reject or reduce your claim, and/or cancel your Policy or declare your Policy null and void.

6. Car sharing

Your Policy covers you for carrying passengers in return for payment but it does not cover you if:

- your car is made or adapted to carry more than eight people
- you are carrying the passengers as customers of a passenger-carrying business; or
- you are making a profit from the passengers' payments.

If you, an authorised driver, or anyone acting for you:

- makes a claim knowing any part of it to be false, or fraudulent or
- supports a claim by a false or fraudulent arrangement.

We will not pay the claim and we will cancel the policy.

If we cancel your policy on the grounds of fraudulent activity we will keep any premium you have paid.

We may also notify the relevant authorities, so that they may consider criminal proceedings.

9. Suspending your cover

If you ask us, we will:

- suspend your cover completely; or
- suspend all your cover except for fire and theft risks (Section 3).

Suspension of cover can only continue until your next renewal date and is subject to the following conditions:

- during the suspension period your car is not left on a public road, and is not used. This must be the case for the whole suspension period and this must be at least 30 consecutive days
- you give us notice before the suspension period begins and return the Certificate of Motor Insurance to us at that time. We'll ask you to send in proof of sale or a SORN document at the end of the suspension period; and
- you have not made a claim during the current period of cover.

When the period of suspension ends we will refund the unused premium referable to the

period of suspension (less 25% if fire and theft cover remains in force) as long as you have adhered to the conditions above.

If you suspend your cover, the unused premium cannot be used to extend the period of cover. If you pay your premium by instalments, you must continue to pay the instalments while cover is suspended.

10. Car registration

If an incident occurs, which gives rise to a claim and the driver is unfit to drive through drink or drugs or while their alcohol blood level proportion is over the legal limit or is charged with or convicted of failure to supply a specimen when requested by the police or other official body, our liability will be limited to that required by the Road Traffic Act. This means that there will be no cover for your vehicle and we reserve the right to recover all sums paid to any third parties from you or the driver of your vehicle.

12. Paying your premium

You must pay us your premium (including Insurance Premium Tax). If you owe us money we'll contact you to ask that payment is made. If we don't hear from you, we will try again. After this, if we still haven't had a response from you, we may refer your details to a debt collection agency.

- the financial position of the parties; and
- the damages you are expected to receive.

How to make a claim

If you wish to make a claim, call our claims number on 0345 608 6038.

For defence of motoring prosecution claims or motoring database disputes, please call our legal advice helpline any time of the day or night on 0345 850 9596.

If following our initial assessment of liability, you're unhappy with the decision, you can ask us to instruct our Solicitors to complete a further review of your case. This would involve a

further conversation with you and our Solicitors to discuss the accident circumstances. Based on that conversation, they would then review any evidence available (police reports/witness statements/location etc) to enable them to reassess the prospects of the case.

What we will cover

Uninsured losses

We will cover, up to the indemnity limit, your costs for recovering any uninsured losses you incur which arise directly from any road traffic accident which was partly or wholly the fault of another party which involves your car, and results in:

- your death or injury
- damage to your car and/or attached towable caravan or trailer
- damage to any property which you own or are legally responsible for; and
- any other uninsured losses incurred by you arising directly from that road traffic accident.

Defence of prosecution for motoring offences

We will pay for legal expenses up to the indemnity limit to defend you if charged with a motoring offence arising from an incident while using your car (and which is not covered under Section 1 Liability to other people):

1. If you are notified by the police or the Crown Prosecution Service that you may be prosecuted for a motoring offence, you must call our legal helpline which will provide suitable legal advice. This will include advice on such things as:
 - the prospects of defending the charge(s) brought
 - the likely penalty that could be imposed if you are found guilty.

In addition, further assistance provided may include such things as:

- co-ordinating the gathering of information and documents to support a defence
 - making representations to the Court (or instructing a barrister to do so, where appropriate) in defence of the charge(s) or to present arguments to limit the size of any penalty.
2. We will not pay costs which exceed the limit of indemnity.
 3. Cover under this section will end when charges are withdrawn or a final finding as to guilt has occurred or where a guilty verdict has been delivered, final sentence has been passed. If you withdraw your defence without our consent and the written advice of your solicitor, we will not give you any cover under this section and you must then pay back to us any costs we have paid or incurred under the case or by withdrawing from it.
 4. We will consider the funding of appeals subject to proper notice, prior agreement and our assessment that it is more likely than not that the appeal will succeed.

Motoring database disputes

We will pay legal costs up to a maximum of £10,000 to represent you in a dispute with the police, government agency and/or insurer:

- If the insured vehicle is seized due to a failure in communication between your insurer and the Motor Insurance Database, or
- If incorrect information is held/recorded on a motoring database about your driving record (e.g. driving licence, claims, convictions) or,

- If incorrect information is held about the insured vehicle, which adversely affects you.

Your legal representation

Recovery of your uninsured losses

1. When you make a claim to recover your uninsured losses we will assess the legal merits of the claim on the basis of the facts given to us and whether you have reasonable prospects for taking, defending or being a party to legal proceedings. We will also consider whether, applying proportionality, it is reasonable that your costs be paid under this section. If legal representation is necessary, we will appoint an authorised representative to deal with your claim before the commencement of any enquiry or proceedings.
2. We may refuse to accept a claim to recover your uninsured losses or we may withhold our consent for you to incur costs in relation to the recovery of your uninsured losses, or we may withdraw from a claim to recover your uninsured losses if we are not or are no longer satisfied that:
 - there are reasonable prospects for you to take or be a party to legal proceedings or continue them; or
 - by the application of proportionality the overall advantage expected from you taking or being a party to or continuing legal proceedings justify the likely costs; or
 - it is reasonable for us to grant costs under this section or to continue to do so.
3. If the appointed representative cannot negotiate settlement of your claim and it is necessary to issue a court summons, or there is a conflict of interest, then you may choose your own lawyer to act on your behalf. We will give your choice of lawyer the opportunity to act on esure's Standard Terms of Appointment.

However if your choice of lawyer is unable to act on this basis, the most we will pay is the amount we would have paid if they had agreed to esure's Standard Terms of Appointment (copy available on request) and we will require confirmation either:

 - (i) from you, that you are willing to pay the difference between what we would pay under esure's Standard Terms of Appointment and what your chosen lawyer will charge, or
 - (ii) from your lawyer, that they will not charge more than would be charged under esure's Standard Terms of Appointment.
4. Your chosen lawyer must:
 - co-operate with us at all times
 - have our written permission before instructing a barrister or expert witness
 - be told by you the terms of this section and the indemnity limit
 - tell us if there are no longer reasonable prospects for continuing the claim
 - tell us if there is an offer of settlement or a payment into court
 - obtain our written consent before incurring any disbursements
 - provide a written update of all material developments including costs and in any event provide a written update every three months as to the current position of the case including the expected outcome
 - notify us of the final conclusion.
5. We will not be liable for any disbursements incurred by your chosen lawyer without our consent. We will not keep to an arrangement you make with your chosen lawyer unless we agree to it beforehand. You must authorise your chosen lawyer to give us all the details of the claim and its progress.

6. We may discharge our obligations to you by paying the amount of your uninsured loss claim that is in dispute.
7. If you discontinue or withdraw from legal proceedings without our consent we will not give you any cover under this section and you must then pay back to us any costs we have paid or are ordered to pay.
8. We will consider the funding of appeals subject to proper notice, prior agreement, the application of proportionality and reasonable prospects of success.
9. We have appointed a panel of legal firms to provide legal services to our customers. We have a financial arrangement with our legal panel firm(s) in relation to accidents occurring in Scotland, where we will introduce our customers to them and they make monthly payments to us for those referrals. In relation to accidents occurring in England and Wales, where you require their services, we will appoint IMe Law and pass your details to them. We have an interest in IMe Law which is a law firm authorised and regulated by the Solicitors Regulation Authority. There is nothing in our relationship with our panel firm(s) which will compromise their independence or ability to act in your best interests. As part of any claim for personal injury the legal firm we appoint on your behalf will need to arrange for you to be medically examined by a doctor. They may appoint a medical agency to arrange this examination. The medical agency will also consider whether rehabilitation would assist you in recovering from your injury.

Defence of prosecution for motoring offences and motoring database disputes

1. If you require advice relating to a motoring prosecution or a motoring database dispute, you must call our legal helpline on 0345 850 9596. If legal representation is necessary we will appoint a lawyer to deal with your case. Should you choose to appoint your own lawyer, they will be given the opportunity to act on esure's Standard Terms of Appointment.
2. If your choice of lawyer is unable to act on this basis, the most we will pay is the amount we would have paid if they had agreed to esure's Standard Terms of Appointment (copy available on request) and we will require confirmation either:
 - (i) from you that you are willing to pay the difference between what we would pay under esure's Standard Terms of Appointment and what your chosen lawyer will charge, or
 - (ii) from your lawyer that they will not charge more than would be charged under esure's Standard Terms of Appointment.
3. Your chosen lawyer must:
 - co-operate with us at all times
 - have our written permission before instructing a barrister or expert witness
 - be told by you the terms of this section and the indemnity limit
 - obtain our written consent before incurring any disbursements
 - provide a written update of all material developments and in any event provide a written update every three months as to the current position of the case including the expected outcome
 - notify us of the final conclusion.

4. We will not be liable for any disbursements incurred by the actions of your chosen lawyer without our consent. We will not keep to an arrangement you make with your chosen lawyer unless we agree to it beforehand.
You must authorise your chosen lawyer to give us all the details of the case and its progress.
5. If you discontinue or withdraw from legal proceedings without our consent, we will not give you any cover under this section and you must then pay back to us any costs we have paid or are ordered to pay.
6. We will consider the funding of appeals subject to proper notice, prior agreement and reasonable prospects of success.
7. For motoring database disputes, there must be a reasonable prospect of changing the information held about the insured vehicle or your driving record.

Conditions which apply to motoring legal protection

These conditions apply to this section. If you breach any of these conditions, we may treat this section of your policy as invalid and/or may reject or refuse a claim.

1. Your Policy

The cover under this section will only apply if at the time of the incident your car insurance policy is in force and all obligations under your car insurance policy have been obeyed and your car is being driven or used for a purpose permitted by your Schedule. Any breach of the conditions may result in cover being withdrawn if the breach is relevant to the claim.

2. Your duty

We will only provide cover under this motoring legal protection section if you keep to all the terms of your policy and of this motoring legal protection cover and you act openly and in good faith throughout.

3. Information

You must tell us as soon as reasonably possible after an incident which may lead to a claim under this section. You must not answer, but you must send to us as soon as reasonably possible after receiving it, any notice of prosecution, inquest or fatal accident enquiry or Claim Form from a court, claim or letter about the road traffic accident. You must follow the claims procedure for your policy.

You must also promptly give any further information that we or the authorised representative ask for. Any information you need to give to us or the authorised representative to evidence your uninsured loss will be at your own expense.

4. Claims procedure

You must not admit liability for or negotiate to settle any claim without our written

permission. You must give us and the authorised representative all the information and help we need.

Your authorised representative must keep us up to date with the progress of the claim, and you must authorise them to do so.

6. Costs

You must send us all bills of costs as soon as you receive them and, if we ask, tell your authorised representative to have the bill assessed by the court or approved by his or her professional body.
