Section 1. What's changing now?

Changes that will take effect now

Change throughout your terms

Our Service Centre telephone number is changing. As a result, all references to our Service Centre telephone number in your terms and conditions will be amended to 08085 40 50 60*.

*Telephone calls are free from a landline and from a mobile when calling from the UK and may be recorded for security purposes and monitored for quality control procedures.

Condition 2

How do you use your account?

What we've done

We have added wording to let you know where you can find details of the minimum balance you can have in your account.

2.1 We will tell you the minimum amount you must pay into your **account** when you open it. You will also find the details of minimum account balances on our website at www.sainsburysbank.co.uk or by calling our Service Centre on 08085 40 50 60* to find out.

Condition 4

Paying Interest

What we've done

We have removed the last sentence of this condition to let you know that we won't take off any interest you owe us (from your account being overdrawn) from any interest we pay you.

4.2 We work out interest daily and pay it into your **account** on the last day of each interest period.

What we've done

We have deleted the words "follow the steps in condition 4.2" to reflect the change we are making to condition 4.2.

4.4 If you, or we, close your **account** in accordance with condition 15, we will work out the interest we have to pay you on the day your **account** is closed (also see condition 11.3).

Condition 5

When can we take money out of your account and how long does it take?

What we've done

We have removed bullet point three to let you know that we can no longer take money out of your account to cover any interest which you have to pay us on any overdrawn amount.

We have added a new final bullet point as we can now remove payments made in error into your account. We can now deduct money from your account if we find out that money has been paid in to your account in error or has been recalled by the bank that paid it in to your account. This is in line with the UK Code of Best Practice on Misdirected Payments. The Code includes a process for banks to follow to help customers retrieve money if it has been paid in to an account incorrectly.

What we've done

We have updated the final bullet point to remove reference to 'an act or threat of terrorism, computer failure or industrial action'.

5.1 We can take money out of your **account**:

- to cover each **withdrawal**;
- to cover each cheque and any other item which is paid into your **account** but is later returned to us unpaid;
- to cover any charge which you owe us on your **account**;
- to cover any loss or expense we suffer in connection with your **account** unless condition 9.2 or 9.6 applies (these conditions set out when you may not be fully liable for the loss or misuse of your **account**); and
- if we reasonably believe that a payment has been made into your **account** in error.

We may do any of these if your **account** is in credit, or overdrawn or if it becomes overdrawn because of the amount that we take out of your **account**. We can also take money out of your **account** under condition 5.11, 5.12 or 5.13 (these conditions explain our right to set off amounts in your **account** against other amounts you owe us).

5.10 final bullet point

- there are circumstances beyond our reasonable control preventing us from offering a normal service.

Condition 14 Joint Accounts

What we've done

We have changed the word 'any' to 'either' throughout these conditions.

What we've done

We have updated the condition to let you know that we will send all written notices and other information about your account to both account holders by post or email. We will no longer only send written notices and other information to the postal address or the email address of the customer whose name appears first in our records of your account.

14.2 These conditions apply to both of you together and to either of you separately. For example, if you owe us any money on your **account**, we can claim it back from either of you. Only two people can apply to invest in a joint account.

14.3 We may choose to accept the instructions of either one of you. For example, we may take out of your **account** the amount of any **withdrawal** made by either of you. If you have a joint account and you tell us that you only want us to accept instructions from both of you (and not just either of you), we may close your **account** and if we choose, offer each of you the opportunity to open a new **account** in just your name.

14.4 We will send all written notices and other information about your **account** to both of you by post or email.

We have updated this condition to let you know that we will now deal with any reclaim from the reclaim fund on your behalf.

15.9 If we close your **account** under 15.8, you will be entitled to reclaim any money transferred and any interest payable from the fund and we will deal with this on your behalf.

Condition 16

When can we change these conditions, the charges and the interest rates?

What we've done

We have updated this condition to let you know that a change will no longer automatically take effect after a 2 month period and we will now let you know when any changes are due to take effect. We have also added wording to explain that if you choose to close your account as a result of any changes we make, there will be no additional costs or charges.

16.1 We can change these conditions, any charges for the normal running of your **account** and the interest rates applicable to your **account**, for the reasons set out in this condition 16, if we give you at least two months' prior notice of the change. The notice will be given in accordance with condition 17. Where we give you notice of a change under this condition 16, the change will come into effect in accordance with the relevant communication and you will be taken to have accepted the change unless you phone us on 08085 40 50 60* and tell us that you do not agree to the change, as soon as possible and in any event before the changes come into effect. If you do not agree to the change, you can close your **account** without incurring any additional costs or charges. If you phone us to tell us that you do not accept a change, we will take this as notification that you wish to close your **account** immediately.

What we've done

We have amended the definition to reflect this.

14. Section 2. What's changing later?

Condition 4
Paying interest

What we've done

We have updated the table at condition 4.1 of the terms to:

- (a) let you know that interest will be paid on the amount in your account two bank working days after a cheque has been credited to your account (this was previously three bank working days); and
- (b) remove wording relating to inter account transfers to reflect when interest will now be paid.

4.1 If the money in your **account** is at least the minimum amount we set for paying interest, we will pay interest on your balance at the rate or rates we set. We may fix a new or change the minimum amount for paying interest under condition 16. You can find out details of the current minimum amount and interest rates on our website at www.sainsburysbank.co.uk or by calling our Service Centre on 08085 40 50 60*. Any change in the interest rate on your **account** must be made in accordance with condition 16.

The table below shows when interest will be paid on any payments into your **account**.

Method of payment into your account	Interest will be paid on the amount in your account from:
Cheque by post – credited on a bank working day (all cheques are subject to a security review and may not always be credited on the day we receive it).	Two bank working days after the cheque has been credited to your account .
Automated Payment	The day we receive it. Payments processed through the Faster Payments Scheme will be credited to your account no later than the next bank working day . Inter account transfers will normally be credited to your account straightaway.

Condition 5

When can we take money out of your account and how long does it take?

What we've done

We have amended this condition to set out what we need you to do before we can authorise an automated payment.

What we've done

We have amended this condition as we are extending the deadline to send us a CHAPS withdrawal instruction from 1.30pm to 3pm on a bank working day. We have also removed the example that was previously given to make the term clearer and easier to understand.

The condition now reads:

What we've done

In future, you will only be able to transfer funds from your account to an account held in your name. As a result, we have deleted reference to the fact that you could wrongly identify the name on someone's account when you are making a withdrawal.

5.3 Before we carry out any **transactions** for you and arrange for an **automated payment** from your **account**, you must **authorise** us to do so by providing us with the requested security information.

5.5 Where we receive your instructions to carry out a **transaction**, other than an inter account transfer, in accordance with condition 5.2 and your instructions are received before 6pm on a **bank working day**, (or 5pm if you want to make a payment under the Faster Payments Scheme or 3pm if you want to make a CHAPS payment) we will treat your instructions as having been received that day. For any instructions received after the cut off times on a **bank working day**, or received by us on a non **bank working day**, your instructions will be treated as having been received by us on the next **bank working day**. In some circumstances, your payment may be referred for security checks which may delay receipt by one **bank working day**. We will always try to contact you when this happens.

5.8 Where you wrongly identify the account (including account number and sort code) to which a payment should be made, we will make reasonable efforts to recover the payment made, but we will not be liable for any losses which may be incurred by you. We may ask you to pay a fee to cover our costs.

We can restrict access to your **account** by stopping both of you using your card(s) or our **Sainsbury's Bank Online Banking** or **Telephone Service**. We will only do this if there is as a dispute about who owns the money in your **account**, or we become aware of a disagreement between joint account holders in relation to your **account**.
