Significant exclusions and limitations

This section covers the significant exclusions and limitations of the policy. Please be aware that your policy may not include all of the benefits mentioned below.

Further information regarding the points below can be found in the Terms and Conditions in the sections indicated.

- Your insurance does not cover any illness which starts in the first 14 days of your pet's first policy year or any pre-existing conditions. If your pet was injured or ill at any time before your insurance started we will not cover any costs relating to that injury or illness. See the 'What is not covered' sections in Veterinary Fees and Death from Illness – points 2 and 3, and Death from Injury – point 2.
- You can claim up to the Veterinary Fees limit stated in the Significant Features and Benefits section for each separate and unrelated injury and illness during the lifetime of your pet. This means you can continue to claim for an injury or illness until we have paid the limit for that injury or illness, providing you continue to renew your policy and pay your premium without a break in cover. After we have paid the limit for an injury or illness we will not pay any further claims for that, or any related, injury or illness. See Veterinary Fees 'What is covered'.
- The Veterinary Fees excess is the amount you have to pay towards the cost of your pet's treatment. The excesses that apply for your pet will be a) a fixed amount only or b) a fixed amount and a percentage amount.
The excess for your pet is shown on your Certificate of Insurance.
 - a) A fixed amount only - this is the amount that you have to pay for each unrelated injury or illness in each policy year. This means that if your pet receives treatment for the same injury or illness in separate policy years, we will deduct a fixed excess from the first claim(s) paid for each injury or illness in each policy year.
 - b) A fixed amount and a percentage amount - the fixed amount will be deducted as explained in a) above. In addition, you must also pay a percentage of all treatment costs, this will be deducted from all claims submitted and will be calculated on the amount left after the fixed amount has been deducted.

See 'Definitions' – Excess, and Veterinary Fees 'What is not covered' – point 1.

- Your policy covers the cost of treatment for a dental injury or illness providing your pet had a dental examination carried out by a vet in the 12 months before the injury happened or the illness was first noticed. See Veterinary Fees 'What is not covered' – point 6.
- You must send us your claim(s) within one year of the treatment taking place, death or the discovery of any loss, theft or straying. See 'Claims conditions – When to claim'.
- Cover in the optional Death from Illness section stops on your pet's 9th birthday or if your pet is a Select breed, its 5th birthday. See Death from Illness 'What is not covered' – point 5, and 'Definitions' – Select Breed.
- If you have taken the optional cover for Cremation, the cost of cremation is covered providing the injury or illness is covered under either the Death from Injury or Death from Illness benefit. See Cremation 'What is not covered' – points 2 and 3.

Additional exclusions may have been placed on the policy for your pet. If applied these are shown on your Certificate of Insurance.

Cancellation period

If, after receiving your Certificate of Insurance and full policy Terms and Conditions, you are not happy, you have 14 days during which you can cancel the policy. In this case we will cancel your policy and you will receive a full refund of any premiums paid. Full details of the cancellation rights can be found in your Terms and Conditions.
